CHAMPLAIN VALLEY FAIR OPEN HORSE SHOW

Sponsored in part by Poulin Grain

Classes are open to anyone meeting the criteria of the class. You do not have to be a member to participate!! Exhibitors are responsible for knowing the rules pertaining to the classes they enter. Every class offered herein is covered by the rules and specifications of the current VHSA, USEF and/or breed Rule Books and will be conducted and judged in accordance therewith unless otherwise specified. You do not have to belong to VHSA, USEF, etc. to show in any class!

All exhibitors may wear ASTM/SEI protective headgear in all classes without penalty from the judge.

CLASS DESCRIPTIONS

Note: An asterik “*” indicates class specifications are in the VHSA rule book and the class may be pointed with VHSA. A diamond shape “◆” indicates the class is not pointed with VHSA and class descriptions are as follows:

◆ **Western Ranch Pleasure:** The ideal western ranch pleasure entry should be presented in a more forward-moving style than the typical western pleasure show horse, being able to cover long distances, softly and quietly like that of a working ranch horse at all gaits. Entries to be shown both ways of the ring at a walk, jog and lope. Extensions of any gait and/or additional testing at the judges request. If extensions are requested, exhibitors may rise in the saddle but are not allowed to post. To be shown in good working tack with appropriate western attire. Attire/Tack with silver or excessive bling, banding of manes and use of false tails are discouraged and may be faulted. ASTM/SEI helmets allowed in this and all classes at this show without penalty. Open to all equines. Not VHSA pointed.

◆ **Go As You Please Pleasure:** Entries to be shown both ways of the ring at a walk, trot/jog and “go as you please”. The Go As You Please (GAYP) gait, is the gait each exhibitor picks best represents their entry. This gait may be a walk, trot, canter or other gait. Whatever gait the exhibitor chooses for their GAYP gait, must be the same gait used the second direction of the ring. To be judged 100% on performance. Open to all equines. Not VHSA pointed.

◆ **Open Saddle Seat Equitation:** Open to any age rider. To be shown at a walk, trot, and canter both ways of the ring. Riders will be judged on seat, hands, performance of horse, appointments and suitability of horse to rider. Additional testing at judges request. To be shown in saddle seat tack & conservative attire preferred, day coats allowed. Not VHSA pointed.

◆ **Command/Simon Says:** A fault and out class, the judge may run this class as a command and/or simon says. When an entry fails to perform the requested command and/or simon says request, they are eliminated until only one exhibitor remains. Open to all equines. Not VHSA pointed.

◆ **Special Event for Miniature Horses and ponies: (all ages)** Not VHSA pointed. Open to miniature horses and ponies of all height. This is a fun event to show case the personalities of these small equines. With the help of the spectators and judge, special awards related to the entry rolling - perhaps, first one to roll, last one to roll or entry not wanting to roll, etc. All entries to come into the ring at the same time. To be shown in hand with a halter and lead of any length. Please do not permit your equine to roll until announcement is made. No entry fee.

◆ **\$25 added Junior/Senior Exhibitor & Open Hunter under Saddle (on the flat)** Open to Hunter type equines under hunt seat tack/attire . To be shown both ways of the ring at a walk, trot, canter. May be asked for extensions at any gait, may be asked to back. Light contact with horse’s mouth is required. Equines to be alert, obedient, responsive and move freely. They should not be eliminated for slight errors. Entries to stand quietly and may be asked to back. Emphasis placed on actual suitability to purpose. Performance 80% conformation 20%. This is a flat class, there are no fences to jump. Not VHSA pointed.

◆ **\$25 added Performance Championships (W/T & W/T/C):** Open to any exhibitor that has shown in at least one under saddle class at the show. Judged on performance, quality, and manners; additional testing at judges discretion. This is not a pleasure class; however if your entry is a pleasure type, the judge will be judging the entry against the ideal pleasure equine/rider combination. If your entry is more of a performance horse (dressage type, hunter performance type, saddle seat park type, road hack type, etc.) then the judge will be comparing your entry to the ideal performance type equine/rider combination. Not VHSA pointed.

MANAGEMENT RESERVES THE RIGHT TO: 1) add to or vary the list of invited officials; 2) decline or refuse any entry at this show without being held liable; 3) eliminate from further competition any exhibitor or equine should the best interest of the show be served; 4) not delay classes due to conflicts, and not to allow substitutions of animals or classes; 5) change the order of classes before or during the show and combine or cancel classes. Should any questions or disputes arise not provided for in the foregoing rules, the same shall be referred to the show steward whose decision shall be final.

Champlain Valley Exposition, Vermont Horse Shows Association, this Show Manager, this Show Committee and/or its Committee Members, Show Officials, Show Employees or Agents will not be responsible for any accident that may occur to any animals, person or property, and each exhibitor shall hold them harmless and indemnify them against any legal proceeding or liabilities from any such accident or loss of property caused to or by the property or employee of such exhibitor.

ADDITIONAL CLASS DESCRIPTIONS

Miniature Horse/Small Pony Hunter over fences*: Open to any Miniature Horse 38" and under or Pony not to exceed 48" in height that are at least 3 years of age. Judged on style, manners and way of going with preference given to those horses that cover the course at an even pace, with free flowing strides, as in a brisk trot or canter, but must maintain same gait throughout the course. Circling once upon entering the ring and once upon leaving the ring is permissible. Charging fences, or not maintaining the same gait throughout the entire course shall be penalized. Jumps must be a minimum height of 18". The type of exhibitor footwear may include any athletic type shoe. Major faults to be considered are: knockdowns, touched, refusals, bucking or kicking, spooking or shying, showing obstacle to the horse or wringing the tail. Causes for elimination: 3 refusals, off course, crossing your own path, fall of horse or exhibitor, jumping of obstacle by exhibitor, unsound horse. VHSA pointed.

Miniature Horse/Small Pony Jumper over fences*: Open to any Miniature Horse 38" and under or Pony not to exceed 48" in height that are at least 3 years of age. The class is to be timed by a stopwatch and the entry who has the fastest time and the fewest faults will be declared the winner. If more than one entry goes clean, the fastest time wins. Should their still be a tie, a jump off will occur only for those tied with a clean round. Scoring: knockdown 4 faults, refusal 3 faults. Causes for elimination: 3 refusals, off course, crossing your own path, fall of exhibitor or horse, jumping of jump by exhibitor, failure to pass through the start and/or finish cones. Minimum height for jumps must be 18". Exhibitor may not go over the jumps with the horse. The exhibitor's type of footwear may include any athletic type shoe. Front leg wraps and/or boots are optional. Jump-offs are to occur for the first place between horses that tied for first place only. The jump-off will be held over the original course with at least one fence raised. Final determination is the combination of least faults and fastest time of the jump-off. VHSA pointed.

Driving Quadrangles*: This is a timed event, open to horses, ponies and miniatures horses that are at least 3 years of age, shown individually. To be shown in harness hooked to a 2 or 4 wheeled vehicle. Entire course must be at a trot. There is a 10 second penalty for every break into cantering. Time starts when you cross the start/finish line. You make a left turn around each upper cone, go back through the center, make a right turn around each bottom cone. Go back through the center and cross the start/finish line to stop your time. This is a VHSA pointed class. Pattern:

Second Chance Equine Division

Open to horses, ponies and mules who have been adopted from rescue organizations, purchased from kill buyers to prevent from going to slaughter, former race horses starting a second career or similar situations. Entries must be able to show proof they are qualified to the satisfaction of show management at the time of entry. Examples: Copy of adoption paperwork, reclassification of registration papers (Ex. Non racing registration papers for Standardbreds), bill of sale from Moore's Equine Rescue (kill buyer), etc. Purpose of this class is to reward exhibitors for taking the time to give equines a second chance to thrive and to shed light on the need of formerly unwanted equines. Cross-entry into Open and VHSA classes allowed and encouraged, however attire, tack and equipment would need to follow VHSA rules for VHSA classes.

◆ **Second Chance Model Equine**: Entries to enter the ring at a walk, line up head to tail and to be judge standing for breed type, quality and condition for their age. May be shown in halter or bridle; exhibitors to be neatly attired. Open to entries which meet the requirements of the Second Chance Equine Division. Not VHSA pointed.

◆ **Second Chance Pleasure Under Saddle**: Open to entries which meet the requirements of the Second Chance Equine Division. To be shown both ways of the ring at a walk and trot/jog/alternate gait. To be judged on the ability to give a nice pleasure ride, with manners being paramount. Additional testing at judges discretion. Entries may be shown without penalty in any type saddle and bridle; bridle does not have to be the same style as saddle, but exhibitors attire must match seat shown. Example: a former Standardbred race horse may be shown in a snaffle English bridle with two hands and the rider uses a western saddle and is attired in western riding attire. Protective boots, bandages, etc. are optional. Entries may cross enter into w/t/c classes without penalty if qualified. Not VHSA pointed.
